## BAL NIKETAN AN INTRODUCTION

---

**Bal Niketan was conceptualized and founded by (Late) Shri J.D. Sharma IAS (Retd.),** a renowned educationist and a former Vice Chancellor of Jammu University on 2<sup>nd</sup> Oct, 1983. Inspired by the words of Swami Vivekananda **They Alone Live Who Live for Others**, Shri J.D. Sharma conceived this noble idea of establishing this HOME for less privileged children so that they can grow and live with dignity as good citizens and are equipped to stand on their own feet with the academic and moral education arranged for them by Bal Niketan. Our home has strength of 50 children and is located in Sector-2, Panchkula, on a 1.5 acre plot.

**The major objectives of Bal Niketan are:**

- i. To maintain a Home for orphaned, destitute and abandoned children irrespective of their religion, caste, creed and gender.
- ii. To provide decent hygienic living conditions, personal care, emotional security and proper education for their complete rehabilitation into society.
- iii. To provide vocational training facilities for youth from the weaker sections of society, for their eventual rehabilitation as employed / self-employed members of the society.
- iv. To provide value based education and employment opportunities to children.

Bal Niketan has been able to achieve its goals through the efforts of an extremely dedicated team of staff and management, and selfless volunteers. We are very grateful to our esteemed donors for their generous financial help.

**All Donations to Bal Niketan are exempted under Section 80-G (5) of the I.T. Act 1961 Granted for perpetuity vide Finance bill no:-2 of 2009.**

## OUR VISION AND MISSION

---

Bringing up children from diverse backgrounds, age and temperament, especially those in social distress, usually from the less-privileged and different economic strata of society, is a challenging task.

**Our Vision & Mission** is to provide solace and succor to such children; to ensure healthy physical and mental growth and balanced development in all respects, thereby enabling them to be economically independent and to live with dignity as good citizens of society with a sense of belonging and emotional security.

To realize this vision, Bal Niketan has strived continuously to remain focused on the following major areas:-

- i. **Providing healthy living conditions** to the children in terms of clean lodging, balanced food, adequate clothing and regular health care in a secure and safe environment.
- ii. **Imparting quality education** to the children is a must for their prosperous future. This is achieved by sending them to good schools in and around Panchkula, and encouraging them to work with self-discipline. For better results, coaching and tuitions are provided to the children by volunteers and part-time paid tutors.
- iii. **Virtuous education and character building:** We regularly stress upon our children the importance of high moral values for their personal betterment. The overall development and character of the children is further built through a variety of co-curricular activities like sports, adventure trips, art & craft workshops and interactive talks and discussions. To inculcate an appreciation for team spirit, there is also a system of assignment of various Home duties to children in Bal Niketan thereby training and preparing them to be self-reliant and responsible.
- iv. **Providing continuous encouragement and motivation to the children to put in their best efforts in studies and other activities and focus on their goals to reach their full potential with a positive and forward looking vision of their future.** This is done through encouraging hard work and self-discipline by giving personal attention to each child and professional counseling, wherever so required.
- v. Helping our children in **placements** with reputed organizations.
- vi. **To provide vocational training** at our Vocational Training Center to weaker sections of Society.
- vii. Helping our wards in finding suitable life partners and marrying them as per legal and social norms.

Efforts are made to inculcate humane values among the children of Bal Niketan. At times, we do have our share of disappointments, but with the devotion and commitment of the Bal Niketan staff and the gracious support of our members, donors and well-wishers, we continue to march forward towards our cherished goals.
